EUROPEAN COMMISSION
DIRECTORATE-GENERAL
Joint Research Centre

2005

EUR 21505 EN

The mission of the JRC is to provide customer-driven scientific and technical support for the conception, development, implementation and monitoring of EU policies. As a service of the European Commission, the JRC functions as a reference centre of science and technology for the Union. Close to the policy-making process, it serves the common interest of the Member States, while being independent of special interests, whether private or national.
